

Physical Education Waiver Request

Name _____ Grade _____ ID# _____ Date _____

In order to earn a high school diploma, all students must meet the minimum graduation requirements established by the Cherry Creek School District Board of Education. The following waiver options do not decrease the number of credits required to graduate from a Cherry Creek School District high school. These options are intended to provide limited flexibility in meeting requirements.

Students who meet the specific requirements listed below may apply for a Physical Education Waiver or Medical Waiver. Athletic/Marching Band Waivers for .5 credit are granted only once during a student's tenure at the high school. Please indicate below the type of waiver you are requesting.

_____ **PHYSICAL EDUCATION WAIVER**—Students may apply for a one-time only physical education waiver for .5 credit. The Marching Band waiver is not available at all schools due to variations in band programs.

- Students must verify athletic participation for one full season at any level.
- Students must participate in Marching Band for two semesters in order to qualify.

_____ **MEDICAL WAIVER**
